SpaceOuts™

The Problem Solvers SpaceOuts are a handy little kit designed to help spaceout your water bottle cages.

Product uses:

SpaceOuts can be used whenever you have clearance issues between your frame and water bottle cages. Use for braze-on adapters and other accessories.

Technical details:

- Alloy construction with laser etched logo. Available in two sizes and two colors—choose 3mm or 6mm length and black or silver finish
- All kits include two spacers and two bolts
- Bulk bags do not include bolts
